# SPEAR & JACKSON PREDATOR SERIES

The Spear & Jackson Predator® Series is a range of hardpoint saws especially created to meet the needs of the most demanding professional.

Featuring unique Predator® technology for outstanding durability and performance.

**Comfort Handle**  
Surfgrip soft feel ergonomic grip and finger bands for accuracy.

**Rigid Blade**  
Thicker 0.91mm blade minimizes 'whip' and vibration.

**Duralife Technology**  
Blade is 100% longer than the best of the rest.

**Precision Cut**  
Accurate cutting with pull-push action.
